

## Call & Write These Indiana Legislators Today!

The Public Health Committee of the Indiana House of Representatives is now considering a variety of healthcare plan options for Hoosiers. They need to hear from you about the kind of health plan our families deserve.

**CALL TODAY:** Tell them that single-payer health insurance is what Indiana needs because it will save money and lives. This **Medicare-for-all** approach is what has proved highly successful in many countries for providing good health care for all citizens at affordable cost. Urge them to support the kind of single-payer plan suggested by **Hoosiers for a Commonsense Health Plan** (<http://www.hchp.info/index.html>).

**ALERT:** Since time is short, please call first and then follow up with a letter. Letters are best coming from people who live in the legislator's district. However, call and write **Speaker Bauer**, Public Health Committee Chair **Charlie Brown** and Vice Chair **Peggy Welch**, even if you are not in their district, because they are gatekeepers in the process of deciding what kind of healthcare bill will be passed.

**If you do not know who your Representative in the House is, search by zip code at:**

**VISIT YOUR LEGISLATOR:** If you think you can get a face-to-face appointment, email **Julia Vaughn** at [vaughngyure@aol.com](mailto:vaughngyure@aol.com) so that she can help you with the appointment.
